

## COO Shigetake held a meeting with the Honourable Maninder Sidhu, Minister of International Trade of Canada

On June 25, 2026, COO Shigetake of GX Acceleration Agency held a meeting with the Honourable Maninder Sidhu, Minister of International Trade of Canada and exchanged views on future cooperation to accelerate GX.

On June 25, 2026, COO Shigetake of GX Acceleration Agency (GXA) held a meeting with the Honourable Maninder Sidhu, Minister of International Trade of Canada.

COO Shigetake explained the significance of Japan's GX policy and the role of GXA. Minister Sidhu highlighted the growing importance of cooperation between Japan and Canada amid the current global environment and expressed his expectations for further strengthening public-private collaboration between the two countries.

The meeting also provided an opportunity to exchange views on GXA's financial support activities and on potential collaboration with relevant Canadian organizations through GXA's GX Hub initiatives.
